

Qualcomm Premier Plans: How to Find an In-Network Provider

All Scripps and Rady Children’s hospitals and urgent care locations are in-network for the Premier Plans. The Premier Plans network includes providers from across San Diego County, including Scripps Clinic providers, Scripps Coastal providers, Scripps-affiliated independent providers, many Rady Children’s affiliated medical group providers, and the onsite Qualcomm Health Centers.

All network providers, including ancillary and durable medical equipment providers, may be found using the Provider Search tool:

<https://www.qualcommpremierplans.com/find-a-provider>

Note: Behavioral/Mental Health, Physical Therapy, Acupuncture, Chiropractic, and Dental services will continue to be offered through the United Healthcare network.

The Concierge Team is also available to assist you in finding an in-network provider at (844) 884-QCOM (7266) or by email at Qualcomm.Service@scrippshealth.org

The Concierge team is available Monday–Friday from 7am–7pm and on Saturdays from 8am–1pm.
